

DISCLAIMER

The NJ Motor Vehicle Commission (MVC) provides the following list of manufacturers whose motorcycles meet Federal Motor Vehicle Safety Standards (FMVSS) and are thereby approved for issuance of a New Jersey Title and Registration. The listed manufacturers have obtained National Highway Traffic Safety Administration (NHTSA) certification and have been issued a World Manufacturer's Identifier (WMI). Also, the motorcycles meet standards promulgated by the Federal Environmental Protection Agency (EPA) for Noise Emissions and Exhaust Emissions. All motorcycles must have permanently affixed NHTSA and EPA (2) labels before New Jersey can issue a title and registration. Fully-electric motorcycles will only display a NHTSA label since electric vehicles have no EPA measurable emissions. Listed below are the currently approved manufacturers whose vehicles can be titled and registered in New Jersey:

NOTE: The Manufacturers' List provided by the NJ MVC is intended for informational purposes only. The Manufacturers' List should not be construed as the MVC's endorsement of any manufacturer or motorcycle model contained on the List. The roster is frequently updated to add approved manufacturers.

Motorcycle manufacturers who do not appear on the approved roster may submit a request by clicking on the link below to the NJ MVC [Contact Us](http://www.state.nj.us/mvc/About/ContactEmail.htm) webpage at <http://www.state.nj.us/mvc/About/ContactEmail.htm>.

STEP 1: Manufacturers should e-mail their inquiries using the format provided on the webpage indicated above.

STEP 2: The MVC will personally contact the manufacturer to request the following information about the motorcycles for which the company is seeking approval to title and register in NJ:

1. A legible (scanned attachment) of both sides of a **completed** sample of a Manufacturer's Certificate of Origin (MCO).
2. If the name, address, and signature of the manufacturer do not appear in the lower right corner of the MCO, a **Power of Attorney** (POA), which appoints the Agent of Service of Process on Foreign Manufacturer, is issued by the manufacturer, on the **manufacturer's letterhead** and signed by the president or CEO of the company. The document must **authorize** the distributor or dealer to complete the information for the company:

Example (partial): Pursuant to 110(e) of the National Traffic and Motor Vehicle Safety Act, 15U.S.C.i399(e), the manufacturer listed below hereby designates in writing an agent upon whom service of all administrative and judicial processes, notices, orders, decisions, and requirements may be made for and on behalf of said manufacturer. The appointment of an agent is for service of process only; it is for no other purpose whatsoever.

In accordance with the implementing regulation of the DOT / NHTSA, 49CFR 551.45 (1989), the manufacturer listed below hereby appoints _____ as its agent for the purpose of service of process and hereby certifies as follows:

(Minimum Requirements of the POA)

1. Full name and address of manufacturer
2. Name of products authorized
3. Full name and address of designated agent
4. Signature, Title (CEO, President, etc.), Date

3. A legible photograph (scanned attachment) of the motorcycle in full profile. **The photo must include an adult rider who is sitting on the motorcycle and holding the handle-grips.**
4. A legible photograph (scanned attachment) of the **NHTSA label that is permanently affixed to the motorcycle.** Please ensure that the name of the manufacturer and the Vehicle Identification Number (VIN) are legible in the photo.
5. A legible photograph (scanned attachment) of the **EPA Noise Emissions label that is permanently affixed to the motorcycle** (not applicable to fully-electric vehicles).
6. A legible photograph (scanned attachment) of the **EPA Exhaust Emissions label that is permanently affixed to the motorcycle** (not applicable to fully-electric vehicles).
7. We cannot accept scans of labels that were photographed on a desk or table. **The labels must be permanently affixed to the motorcycle as required by federal and state statutes. Labels cannot be affixed by screws** since screws are easily removed.

Due to the increased volume of submitted approval requests, **complete documentation packages** as indicated above, **must be submitted by the manufacturer, distributor, or dealer only.** Customers should contact the manufacturer, distributor, or dealer of their motorcycle. After conducting a thorough investigation of the scanned documents and photographs (complete documentation package) submitted by the **company spokesperson**, the NJ MVC will contact the manufacturer, distributor, or dealer within seven (7) business days.
